THE PALM, DUBAI

PRESENTING SIX SENSES

To live is to connect

The Six Senses brand was born from the desire to help people reconnect with themselves, others and the world around them.

This vision is translated across a broad property portfolio, with wellness, sustainability and out-of-the-ordinary experiences at the core. That's because reconnection can happen anywhere, whether on a remote private island, snowy mountain hideaway, desert dune, lush forest, wine estate or lively lounge in the heart of a city.

From sleep standards to the food on the table, immersive local culture and boosting guests' well-being through pioneering science and ancient wisdom, the aim is to awaken their senses to what's possible.

And now Six Senses is excited to mark its entrance into the UAE market by introducing Six Senses The Palm, Dubai.

DUBAI, UNITED ARAB EMIRATES

AN EVOLVING NATION, A RISING CITY

From humble beginnings, as a bustling port town, with fishing and pearl diving at its core, Dubai's transformation into a thriving and cosmopolitan global hub is a testament to its innovation and commitment to excellence.

THE PALM JUMEIRAH

A place where the sea romances the sky on an iconic stretch of land that has ignited the world's imagination with its endless arc of seascape and skyline.

THE UAE'S FIRST SIX SENSES RESIDENCES

Standing elegantly on the West Crescent, Six Senses Residences The Palm, Dubai epitomises innovative architecture.

It takes its cues from the city's journey while paying homage to the contours and elevations of the region's landscape, its unique heritage and origins, and its unquenchable thirst for progress.

A WORLD OF WELLNESS & LIFESTYLE

The image shows a sophisticated interior space, likely a lobby or lounge area. The ceiling is a dark, textured surface with large, illuminated white paper flowers hanging from it. The floor is a light-colored, patterned tile. In the foreground, a large, illuminated white paper flower sits on a dark, reflective surface. The background features a large glass wall that offers a view of the ocean and several palm trees. The overall atmosphere is clean, modern, and serene.

At the core of the Six Senses Residences The Palm, Dubai is a 60,000 square foot wellness and lifestyle facility, Six Senses Place, providing residential owners with a new dimension in community living.

A unique space that adopts the Six Senses belief that wellness is anything and everything that results in mental, physical, spiritual and emotional happiness.

Residential owners and guests can benefit from its array of wellness and lifestyle facilities, including a massage circuit pool, squash court, wellness circuit, Six Senses Spa, shared working space, meeting rooms, to name a few.

RISING ELEGANTLY FROM THE SEA

Inspired by Dubai's ascension from the ocean floor and situated on the iconic beachfront of Palm Jumeirah, the Signature Villas possess an elegant charm and nautical allure.

AN EVOLUTION OF THE AGES

Dubai's appetite for adventure and desire to continuously reach new heights is beautifully expressed through the exclusive Royal Penthouses.

They are a representation of a desire to innovate and excel.

To connect the ideals of the past with the contemporary advances of the future.

REACHING THE INFINITE

Exuding an inviting sense of dreamy bliss, the Sky Villas soar in unimpeded fashion towards space, providing a home set amongst the stars, twinkling majestically in the realms of the infinite.
