Dubai

The perfect home

Dubai, a city where dreams are lived, offers its inhabitants all the ingredients to lead a discerning lifestyle. Be it the modern skyscrapers, green residential communities, fabulous shopping malls, world-class amenities, stunning golf courses, or fun-filled entertainment venues, it has got something for everyone. It also offers its multitude of expatriates, a choice of residential options with the future just right for both dwellers and investors.

And shining like glittering stars in the bright skyline of Dubai are DEYAAR's creations like The Metropolis, Hamilton Residency, Mayfair Towers, and others, amongst the most offerings from any developer at Business Bay.

Business Bay

The region's business capital

The legendary Dubai Creek in the past had played a crucial role in facilitating trading in the region. It shaped Dubai's destiny from a flourishing centre for fishing to a world-renowned commercial port.

Today, along an extension of the same Creek a new prime residential and business district is taking shape. Termed as Business Bay, and located along the arterial Sheikh Zayed Road between the 1st and 2nd interchanges, this district is poised to become a central hub of tomorrow's world.

DEYAAR's **Clayton Residency** at Business Bay will offer the lifestyle that many aspire, but you truly deserve.
