A Key Attraction

18-HOLE CHAMPIONSHIP GOLF COURSE

Based on research by KPMG and American National Association of Realtors, golf courses have historically boosted the value of nearby properties by as much as 20%. With the 18-hole Championship Golf Course within walking distance, Expo Golf Villas are poised to deliver higher returns and strong capital appreciation.

An aerial architectural rendering of a golf course. The foreground features a modern clubhouse with a large glass facade and a covered entrance, surrounded by landscaped grounds with trees and a parking area. The middle ground is dominated by a lush green golf course with several holes, sand traps, and a dense line of palm trees. In the background, a city skyline with various high-rise buildings is visible under a bright blue sky with scattered white clouds. The overall scene is vibrant and detailed, showcasing a high-end residential and recreational development.

GOLF COURSE

An aerial photograph of a golf course at sunset. The sun is low on the horizon, casting a warm glow over the scene. The golf course is lush green and features several sand traps. To the left, there is a large, modern apartment building with many balconies. To the right, there are smaller, modern houses with swimming pools. A winding path runs through the middle of the course, and a golf cart is visible on it. The sky is a mix of blue and orange, with some clouds.
