

## The city of tomorrow

Dubai is undoubtedly the destination for intelligent property investors. With some of the most breathtaking buildings and prestigious projects, Dubai is rich with every conceivable contemporary comfort. A truly designer city, Dubai boasts of a lifestyle that is unique, yet desirable. A bustling metropolis, with towering skyscrapers and quiet boutique offices, Dubai is clearly a business hub and commercial capital of the region. With world-class shopping malls, restaurants, cafes and entertainment facilities, Dubai is the city of the future. A safe and sunny haven for both tourists and businessmen. Welcome to an exciting destination.

Live the  
Luxury

Damac Properties. The largest private property developer in the region and part of Damac Holding, the multi-million dollar conglomerate with operations in over 18 countries and more than 6,000 employees. Damac Properties is changing the landscape of the region, delivering the latest concepts in state-of-the-art living. Damac is probably the only developer that has registered its presence in every upcoming development in the region. Lakefront or sea-view, every Damac creation is a perfect fusion of design and vision. Each one of them bears a distinct architectural signature, uniquely designed to stand out in the region's rising skyline, thus becoming the icon of exclusivity for residential, retail and office spaces.
