ABOUT DUBAI

Dubai, one of seven emirates that make up the United Arab Emirates, is a cosmopolitan city that combines innovation and a modern lifestyle with traditional Arabian values.

The multicultural city of Dubai is strategically located at the gateway between the East and West and has rapidly become one of the world's most sought-after destinations for business, living and tourism.

Dubai is home to some of the world's most breathtaking and ambitious developments, including the iconic Palm Jumeirah, which has helped position the city as an attractive location for investment.

With a variety of residential options, world-class shopping and entertainment, as well as excellent facilities and infrastructure, Dubai offers residents an unrivalled quality of life.

DRAGON CITY

Dragon City is set to become one of the region's most attractive destinations for shopping, living, business and leisure. Spread across a total area of over 11 million square feet, Dragon City comprises shopping malls, showrooms, multi-storey car parks, hotels and the upcoming Dragon Towers.

Building on the success of Dragon Mart and Dragon Mart 2, already the biggest Chinese trading hub outside mainland China, with 2.2 million square feet of leasable

space, additional extensions will add a further 1.3 million square feet of leasable space. This includes the addition of a host of new retail outlets, including a showroom-style complex, as well as restaurants and cafés, convenience stores and essential services.

Directly connected to Dragon Mart 2 is Ibis Styles Dragon Mart Dubai, a 251-room hotel with modern facilities. A second hotel, Premier Inn Dragon City, is currently under construction.

A RESIDENCE THAT LINKS STYLE AND CONVENIENCE

Strategically located at the entrance to Dragon City, Dragon Towers is directly connected to the world-famous Dragon Mart retail complex.

Two floors of Dragon Towers feature a variety of retail outlets, providing the ultimate in convenience for residents' everyday shopping needs. A clubhouse, located at the podium level, offers superior amenities. Work out at the expansive, fully-equipped rooftop gymnasium or enjoy a game of tennis on the tennis court. Children can play in the kids' pool while you unwind in the 25-metre swimming pool or indulge in relaxed indoor or alfresco dining at the poolside restaurant.

With exclusive entry for access card holders, dedicated security at the lobby entrances, as well as a parking space for every apartment, Dragon Towers offers residents urban and convenient living.
